HEALTH, & SAFETY ENVIRONMENT

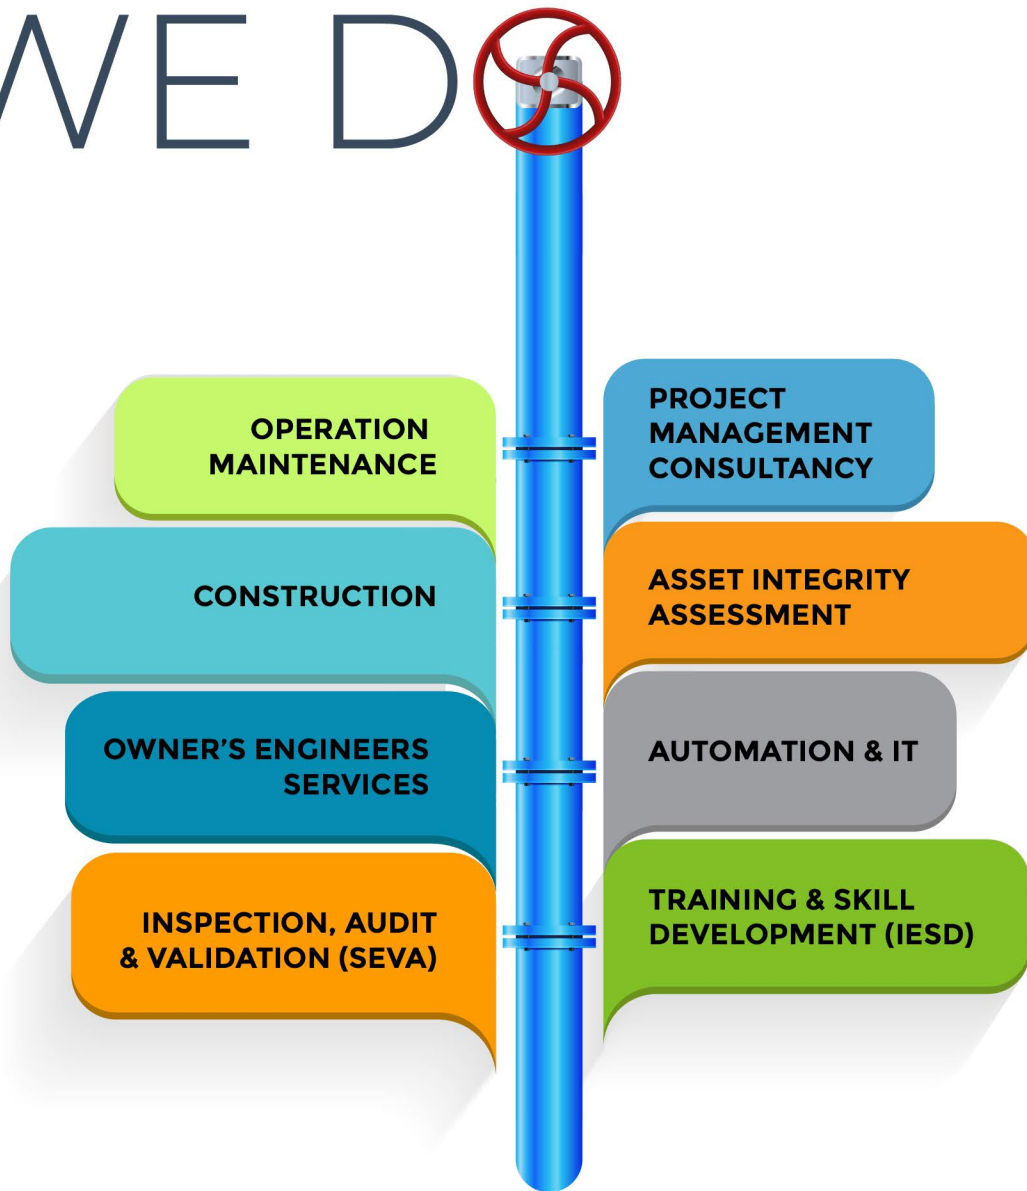

- OUR FIRST PRIORITY

NATIONAL SAFETY WEEK CELEBRATE AT SANMARG PROJECTS PVT LTD
(04/03/2022-10/03/2022)

WHAT WE DO

INTEGRATED OPERATION AND MAINTENANCE

O&M Solutions for : -

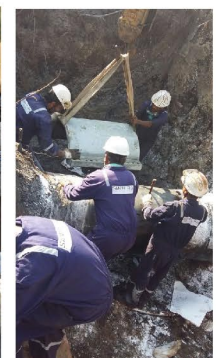

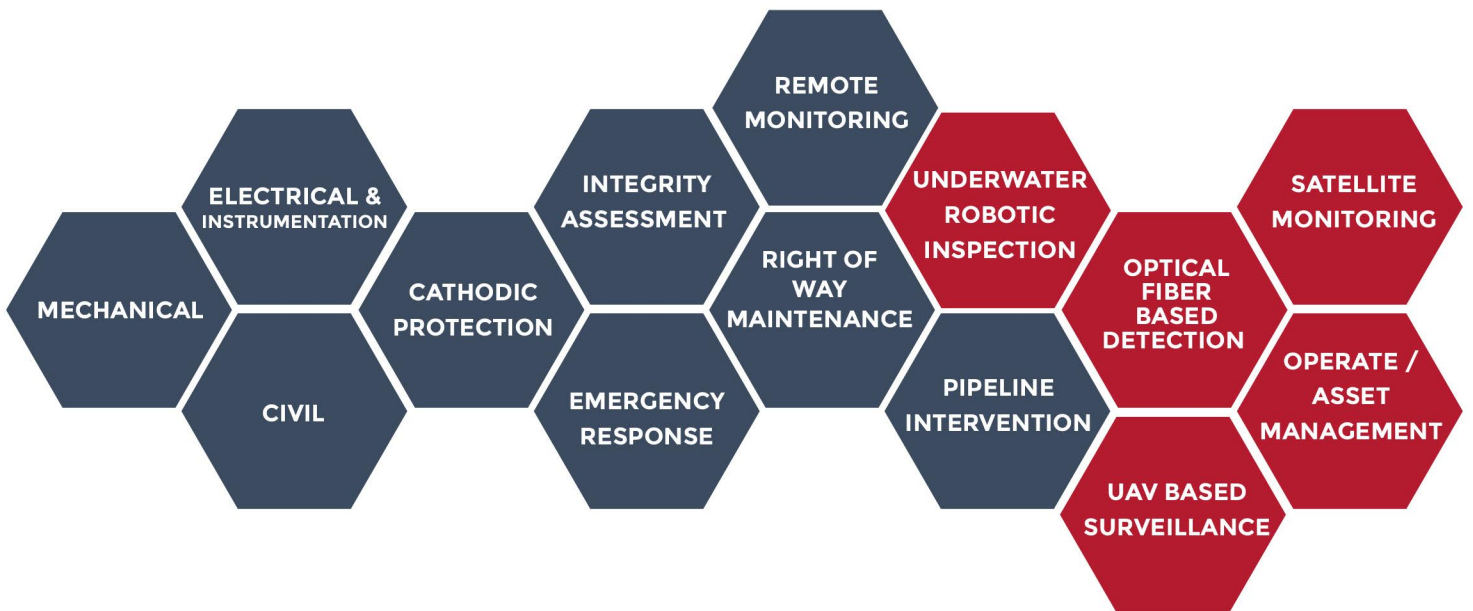

Pipelines & Associated Infrastructure

Terminals & Storage Depots

Refineries

City Gas Distribution Networks

Upstream Surface Facilities

INTEGRATED O&M FOR PIPELINES

- Mechanical Maintenance
- Electrical Maintenance
- CP Monitoring & Maintenance
- Instrumentation & Control
- SCADA System
- ROU & Washouts
- Civil Maintenance
- Fire Fighting System
- Emergency Response
- Hot Tapping & Stopping
- Pigging, Chemical cleaning, NDT
- Intelligent Pigging
- Technical support
- Pilferage Rectification
- Sleeve Welding
- Shorted Casing handling
- Extension of Cased Crossings
- Dynamic Dashboard Controlled O&M
- Round the clock Operation support
- Advanced Technical and NDT Services
- Coordination with OEMs
- Calibration of various types of Instrument
- Support for Calibration of Meters etc.
- New and miscellaneous construction like Borewell, Pipe supports, Water Tank, Pavement, Rainwater harvesting, washouts repair/ pipeline lowering etc.
- Audit of Pipeline / Terminal Assets
- Digitization of Pipeline data
- Logistic Support
- Mock Drills
- Villagers Awareness Program

PIPELINE INTERVENTION SOLUTIONS

PIPELINE INTERVENTION SERVICES

- ◆ Hot Tapping & Plugging Services
- ◆ Equipment & Consumables
- ◆ Pipeline Rehabilitation Services & Products

INTEGRATED PIGGING SOLUTIONS

- ◆ Integrated Pigging Operations
- ◆ Cleaning Pigs, Pig Indicators and QOEC

INLINE INSPECTION / INTELLIGENT PIGGING

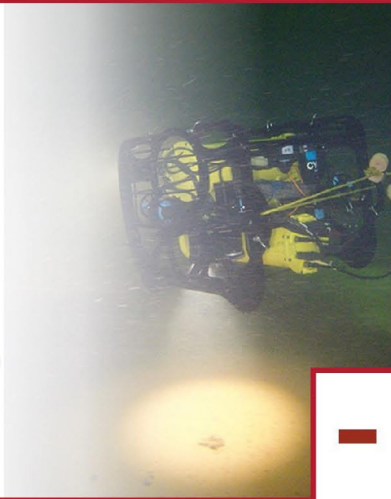

- ◆ Inline Inspection Survey (MFL, EGP and XYZ)
- ◆ Analysis & Reports

iSanmarg Latest Add-ons For Next Level Of Optimization

UNDERWATER ROBOTIC INSPECTION AND SURVEY SOLUTIONS

- ✓ Fire Water Tank Inspection
- ✓ Platform Structure Inspection
- ✓ Single Buoy Mooring Inspection
- ✓ Submerged Cable Inspection
- ✓ Submerged Pipeline Inspection
- ✓ Pipeline Survey
- ✓ Offshore Installation Support

SANMARG
PROJECTS PVT. LTD.
Asset Management Company
ISO 9001:2015, 14001:2015 & OHSAS
18001:2007

DRONE SERVICES FOR SURVEY & INSPECTION OF OIL & GAS ASSETS

- ✓ GIS Mapping, Survey & Inspection of Oil & Gas Assets/Facilities/Installations
- ✓ Pipeline ROU Surveillance

AI BASED REAL-TIME GAS PIPELINE LEAK DETECTION SYSTEM

- ✓ Real-Time Identify Anomalies
- ✓ Localize detection
- ✓ Predict Network Maintenance
- ✓ Scalable to any network type

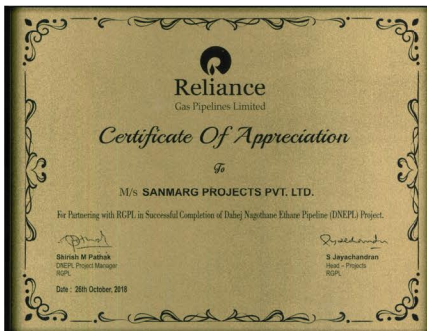

PROJECT MANAGEMENT CONSULTANCY

PROJECT MANAGEMENT

- Project Integration
- Project Planning, Scheduling, Monitoring & Control
- Project Engineering
- Procurement & Material Management
- Construction Management
- Quality Assurance and Quality Control
- HSE Management
- Project Budgeting & Cost Control
- Document Control & Management
- Pre-commissioning & Commissioning Services

PROJECT ENGINEERING

- Basic Engineering
- Design Basis
- Detailed Engineering
- Project Reports (Pre-Feasibility Report, Feasibility Report, Detailed Feasibility Report, Detailed Project Report)
- As-Built Drawings
- Project Closure Report

INDUSTRIAL CONSTRUCTION / EPC

- Civil, Structural and Architectural work for specialized industrial installations viz. Local Control Centre, Maintenance building, Electrical Substation, Air compressor house and Fire Water pump house, Raw water sump and pump house, Large foundations, Yards, Warehouses, etc.
- Pipe laying along with construction of facilities / auxiliaries viz stations and terminals and Fiber Optic Cable Laying and termination.
- Foundations for specialized equipment like reciprocating compressors, pumps, filters, gas after Coolers, Condensate tank, Skids, Gas Engine Generator, Diesel Engine Generator, Scraper trap, stacks, Blow Down Silencer and other equipment.
- Structural Fabrication and Erection
- Mechanical, Electrical & C&I Erection

INTEGRITY ASSESSMENT SERVICES

- ◆ Pipeline Integrity Assessment using DAUT, UTFD, LRUT and AET methods
- ◆ Pipeline Coating Integrity Assessment using ON/ OFF surveys, CIPL, CAT, CAT with A frame, DCVG, ACVG methods
- ◆ Pressure Piping, Station Piping Integrity Assessment
- ◆ Storage units, Tanks, Bullets Integrity Assessment
- ◆ Concrete Structures Integrity Assessment
- ◆ Residual Life Assessment and Corrosion rates calculation
